REGISTRATIONS

2024

Registration and Confirmation Process

Interested in any of the Programs? Proceed to register via the link <https://itma-global.com/events-registration/> Should you want to gain more information before registration, simply email Colleen, your Certifications Consultant on certifications@itma-global.com Once successfully registered, Colleen will activate the delegate on-boarding tour and guide you through the process. All courses and certifications are delivered and examined in English. Please take time to familiarize with iTMA's Confirmation of Registration Policy as well as the Cancellation Policy.

In-House Delivery Options Available

If your organisation is considering an in-house option, please note that the minimum class size is generally 10 delegates. All in-house options are price/fee negotiable depending on numbers and specific client customizations which may be required to suit client exigencies. In-house arrangements may necessitate the client meeting travel and subsistence costs for Trainers and/or Facilitators. Please check with us the specific terms thereof.

Travel Planning Key Considerations

Whilst all our certifications have a virtual option, we acknowledge that some clients and/delegates may want to benefit from the value of face-to-face interactions, not just with the Trainers, but also with fellow delegates, including networking. All delegate travel and subsistence, unless otherwise stated, is at the full expense and responsibility of the client or delegate. iTMA may provide limited support in the form of travel information where feasible. It is a strict requirement to get a formal Delegate Registration Note from iTMA before a client or a delegate proceeds to book and pay for travel and accommodations.
